

URNA!

YOU ARE NOT ALONE... 

You believe in one universal creative intelligence that permeates all of creation

IF WE CONTINUE TO LIVE LIKE THIS WE WOULD NEED ANOTHER PLANET

You see rubbish when you visit nature and this pains you

YOU USE YOUR INTUITION & GUT FEELINGS TO MAKE DECISIONS

YOU LEAD A LIFE OF VOLUNTARY SIMPLICITY

Our current institutions of education, health, business, and industry are mostly outdated and do not serve a sustainable future

MATERIAL SUCCESS DOES NOT MEAN HAPPINESS

THE EARTH DOES NOT BELONG TO US. WE BELONG TO THE EARTH

You are willing to change your lifestyle & income to counterbalance our planetary crisis.

By changing yourself, you are changing the world

You follow your passion by living a vocation that reflects your values & principles

Bringing the economy back to 'normal' is not in the interest of humanity & the planet

The healing of the earth & the healing of the human spirit are one and the same. Neither can be achieved without the other

You don't believe money can solve your problems & needs or the world's problems & needs

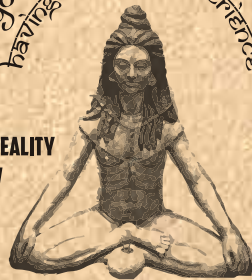

You are aware we have more senses beyond the five, and that we possess extra sensory perceptions

YOU ARE COMFORTABLE TAKING THE PATH LESS TRODDEN

CONSCIOUSNESS AS A CAUSAL REALITY IS THE FOUNDATION OF THE NEW SCIENTIFIC PARADIGM

You are a spiritual being having a human experience

Human lifestyles today have the same impact in one year on our natural resources, as our ancestors' lifestyles did in one thousand years

The basis of nature is cooperation & democracy, not competition

YOU BELIEVE THAT WATER IS SACRED & THE SOURCE OF LIFE, AND SHOULD BE TREATED WITH RESPECT

Having no plan is often the best plan

YOU MOSTLY DON'T BELIEVE WHAT YOU HEAR OR READ IN THE MAINSTREAM MEDIA

THE EARTH IS NOT DYING IS BEING KILLED

We are connected on a quantum level

YOU CARE ABOUT WHAT YOU PUT DOWN YOUR TOILET, DRAIN & SINK

You support more feminine leadership

THE JUSTIFICATION OF WAR IS A LIE YOU CANNOT BELIEVE ANYMORE

YOUR CIRCLE OF COMPASSION EXTENDS BEYOND YOUR FAMILY, FRIENDS, NEIGHBORHOOD AND COUNTRY.

Materialism science & medicine are limited by their own assumptions

You tend to watch less TV... or have already given it away

We have human rights. We have property rights. It's time for nature to have her rights

There is no culture left in commercial agriculture.

You care about what you put in your body, on your hair and on your skin

You are disillusioned with most governments & institutions

You are deeply concerned about the state of our world

our earth is a living organism

YOU ARE AWARE OF THE POWER YOU HAVE AS A CONSUMER TO IMPACT CHANGE

YOU ARE WHAT YOU EAT, DRINK AND THINK

Humanity has reached its limits of material growth including peak oil & ecological resources.

ONE DAY INDUSTRIAL ANIMAL FARMING WILL BE JUDGED IN THE SAME WAY HUMAN SLAVERY IS TODAY

WE HAVE SHIFTED FROM A MATERIAL PARADIGM TO A CONSCIOUSNESS PARADIGM

THE BUSINESS OF CHEAP FOOD IS A CRIME

'I think therefore I am', is no longer enough. 'I am consciousness therefore I am', is needed today.
